WALKATHON 2011-12

Thank you to all the parents and children who have brought in their Walkathon monies. We have commenced counting up class totals. For those of you yet to bring in your money please do so as soon as possible.

HALLOWEEN

This year, students will be allowed to wear orange and black to school. They may bring their costumes and change into them at lunch time or remain in their orange and black clothing for the afternoon. As usual, students will not be allowed to bring any weapons of any type. As well, masks and face paint will not be allowed. No scary costumes please. The day is filled with many activities for the children. In the morning, the children will participate in a pumpkin boot camp. Thank you for your cooperation. Let's have a fun Halloween!

MULTICULTURAL CLUB

The students in the "Multicultural Club" experienced the Italian culture on October 13. We went from learning some Italian phrases like "ciao, come stai?" and "buon appetito", to eating spaghetti and homemade meatballs. Viva l'Italia!

Last week, the students experienced the South Korean culture. Thanks to Mrs. Lee, we were able to taste some authentic cuisine. The "Bulgogi" (marinated Korean beef) with the noodles were delicious! Seeing Mrs. Lee and her daughter Clare dressed in the traditional costume and having them teach us origami were just a few of the memorable moments. Thanks to Mrs. Tng for tasty dumplings. "Kashamnida!" Next session will be on Thursday, November 3.

ALL SAINTS DAY - NOV. 1

On November 1st, there will be a non-uniform day to honour All Saints Day. Your child can, if they wish, dress up as a saint or they may come to school dressed in white. We ask that each child bring a twoonie to school. All proceeds will go to support the Knights of Columbus to help purchase coats for the needy. Thank you for your support.

PUMPKIN PATCH

The Grade 1F, 1E, and 2F classes enjoyed a nice afternoon at Laity Pumpkin Patch last week. Students had fun observing the physical characteristics of farm animals, seeing how vegetables such as corn, carrots, beets and kale grow, as well as seeing the changes that Autumn brings to plants. They ended this fun and educational afternoon by strolling through the Pumpkin Patch and choosing just the right pumpkin to bring home.
